ATTENDANCE MATTERS

The Department of Education (Dfe) has recently introduced new statutory guidance on school attendance. This guidance emphasises the importance of regular school attendance in supporting children's academic achievement, social development, and overall well-being.

In line with the new guidance parents will receive information of their child's attendance on a termly basis. Punctuality is crucial in ensuring that children start the day ready to learn and do not miss important information or activities at the beginning of lessons.

Door are open between 8.45 to 8.55am.

If your child is absent you must call the office with the reason each morning.
