Uniform and PE kits

Please can you ensure your children attend school in the correct uniform or PE kits on the correct days. Please contact the office if you need any further information.

School dinner and packed lunches

If your child has changed from one to the other please can you ensure you advise the office. We have noticed children

bringing packed lunches when they are down for hot meals. This means the kitchen are still providing them and the food goes to waste. We also the have to check with all the children to see who hasn't collected a dinner and ensure all children have eaten. This takes a lot of unnecessary time.

School Money

School money should be in credit or paid weekly to avoid

ATTENDANCE MATTERS

The Department of Education (Dfe) has recently introduced new statutory guidance on school attendance. This guidance emphasises the importance of regular school attendance in supporting children's academic achievement, social development, and overall well-being.

In line with the new guidance parents will receive information of their child's attendance on a termly basis. Punctuality is crucial in ensuring that children start the day ready to learn and do not miss important information or activities at the beginning of lessons.

Door are open between 8.45 to 8.55am.

If your child is absent you must call the office with the reason each morning.
